Home Demonstration Agent

From Linneus News.

Thursday a public meeting was held in Linneus which was attended by about fifty women from various parts of the county for the purpose of effecting a permanent home demonstration organization. Many ladies from Marceline, Brookfield, Laclede, Meadville, Linneus and rural localities were present and evinced much interest in the great work which called them together.

When the work of organizing this county was undertaken a membership of 850 was desired. Each woman joining the movement was required to pay \$1.00 membership fee, same to be used in covering organization expenses, equipment of office, stationery, etc. At the time when enrollment of members expired a few over 500 had enrolled. The county court was asked to appropriate \$300 to complete the amount necessary but in its wisdom only appropriated \$175.00. Altho a small shortage existed these determined women decided to go ahead and effect a permanent organization trusting to other ladies uniting with them in this splendid work in sufficient numbers to produce revenue to carry on the work.

Miss Sarah Pettit was present and delivered a very instructive address along the lines of work which will be pursued by the lady in charge of the work in this county.

Permanent organization was made in the election of the following executive officers:

Chairman, Mrs. Lon Kelley, Linneus.

Secretary, Miss Lillian Sensintaffar, Laclede.

Treasurer, Miss Ruth Loomis, Meadville.

The following committee-women were named:

Mrs. W. H. Jenkins, Brookfield.

Mrs. Fred Duncan, Browning.

Mrs. W. G. Hughes, Bucklin.

Mrs. Sig Steiner, Marceline.

Mrs. Lee A. Wilson, Laclede.

Mrs. Opal Gooch, Purdin.

Mrs. W. E. Green.

A vote of thanks to the county court for its assistance was passed.

The Woman's Christian Temperance Union met at the pleasant home of Mrs. Mary Garside. The following members responded at roll call: Mesdames Libby, Bassett, Brown, Sayles, Hall, Plowman, Garside, Smith, Estes, Lomax and Misses Anna Ransom and Helen Hoyt. Mrs. Harry Landree was a guest. The following program was rendered:

Reading, "Kiddie Gone to War," Frances Sayles.

Reading, "Who made the Map White," Ruby Smith.

Song, "Viola Anderson," Viola Anderson.

Reading, "Joy Mingled With Sadness," Anna Mary Griffith.

Reading, "Knitting to Win," Gladys Anderson.

Song, "Viola Anderson," Viola Anderson.

Instrumental Solo, Miss Ellen Garside.

The following officers were elected:

Miss Anna Ransom, president.

Mrs. Lillie Hall, vice president.

Mrs. Retta Welsh, corresponding secretary.

Miss Helen Hoyt, recording secretary.

Mrs. Ella Plowman, treasurer.

The president reported that the county convention would be held at Browning on August 13 and 14.

Farm Bureau News Notes

Much has been said in regard to the wheat crop for the coming year and many questions have been asked in regard to sowing wheat in Linn county as a money crop. There are several factors which go to make for success or failure in growing wheat. These are; the seed bed preparation, variety of seed used and date of seeding; soil fertility and the use of commercial fertilizers.

The greatest yields are usually secured on early prepared seedbeds. Plowing should be done in July if at all possible. Seven inches is the best depth to plow.

Commercial fertilizers play an important part in our wheat crops when grown on the average Linn county soils as has been demonstrated this year. Two instances have been brought to the attention of the writer and are as follows. Last fall J. L. Norman used acid phosphate on the most of a field of wheat but a small part accidentally received none of this fertilizer. All through the growing season this part was very noticeable and when threshed last Saturday, July 13 yielded only half as much wheat as a similar plot which was fertilized. This was at a cost of \$1.35 per acre.

Mr E. Swain also in the same neighborhood used acid phosphate on all of a field and secured a yield of 21½ bushels per acre.

Experiment Station reports are all in favor of the use of fertilizers and point out the fact that fertilizers is many times the only difference between success and failure. Acid Phosphate is worth at the present time \$26.50 delivered in car lots. Bone Meal is worth \$42.00. Dealers profits are added to these figures. It will pay you to look into this matter and pre-

pare to sow a little wheat and help relieve the shortage if you want more white bread.

L. C. N. Club.

The regular monthly meeting of the club was held with Mrs Chas. Facto on Thursday of last week. The busy time cut down the attendance somewhat but the day was certainly enjoyed by those fortunate enough to be present. An elegant dinner was served at noon and the afternoon spent in conversation. All congratulated Mrs. Facto on her splendid hospitality and also on her lovely and convenient new home.

The next meeting will be held August 8 with Mrs. C. E. Goosey when knitting for The Red Cross will be the principal work.
